1. About the Publication Scheme

Every public authority covered by the Freedom of Information Law has a legal duty to maintain a publication scheme.

The purpose of a publication scheme is to make information readily available to the public without the need for specific written requests. Schemes are intended to encourage authorities to proactively publish information, to develop a culture of openness and participation.

The Publication Scheme lists the information which is readily available to the public. The list is divided into seven (7) different categories of information, to help you find the documents you are looking for.

This Publication Scheme commits the Royal Cayman Islands Police Service ("RCIPS") to making information available to the public as part of its normal business activities.

The RCIPS will:

- specify the information held by the Authority, which falls within the seven (7) categories below;
- proactively publish or otherwise make routinely available, information which is held by the Authority and falls within the categories below;
- describe the methods by which specific information is made available, so that it can be easily identified and accessed by members of the public;
- list any fees charged for access to information described in this scheme;
- publish or otherwise make information available, in accordance with the methods and fees stated in this scheme;

- make this Publication Scheme available to the public;
- regularly review and update the information made available under this scheme.

2. Information that may be withheld

The RCIPS will generally <u>not</u> publish:

- information in draft form;
- information that is not held by the RCIPS, or which has been disposed of in accordance with a legally authorised disposal schedule;
- information that is not readily-available for example: information that is contained in files that have been placed in archive storage, or is otherwise difficult to access;
- information which is exempt under the FOI Law, or otherwise protected from disclosure – for example: personal information; or commercially sensitive information. Records containing exempt matter will be published in a redacted¹ form, where ever it is practical to do so, indicating which exemptions apply.

In maintaining this Publication Scheme, our aim is to be as open as possible.

However, there may be limited circumstances where information will be withheld from one of the categories of information listed in *Section 7: Categories of information*.

Information will only be withheld where the FOI Law expressly permits it.

For example: where disclosure would breach the law of confidentiality, infringe personal privacy, harm the RCIPS' (or another organization's) commercial interests, or endanger the protection of the environment.

When ever information is withheld, we will inform you of this and explain why that information cannot be released. Even where information is withheld, it may be possible to provide a redacted copy, with the exempt matter edited out.

Persons' conviction records living or dead are personal information and shall not be released pursuant to Section 23 (1) of the Freedom of Information Law, 2015. However, persons' applying for their police records for visas/waivers, passports or for employment must complete the prescribed form, provide identification, such as their driver's license or passport and pay the prescribe fee of CI\$25.00.

Persons' finger prints, palm prints, footprints, or other physical specimens of any person convicted of any offence punishable by imprisonment, or in lawful custody for any offence punishable by imprisonment, whether such persons have been convicted of such offence or not shall not be released pursuant to Section 23 (1) of the Freedom of Information Law, 2015.

If you wish to complain about any information which has been withheld, please refer to section 6: Complaints.

Is there a legal age for a babysitter?

No, there is no legal age for babysitting. It is the responsibility of the parents to use common sense to make a decision. It is worth bearing in mind that a 16-year-old cannot be prosecuted for neglect or ill treatment of a child in their care. The parents, carers, guardians would be charged in that situation. However, anyone 16 or over who has responsibility for a person under that age can be prosecuted.

I know of a bar that is selling alcohol to underage people. What should I do?

Report it to the police at (345)949-4222 or the <u>Liquor Licensing Board</u> at (345)945-0943, so they can follow up on the report.

Alcohol

How much alcohol do I need to drink to be over the limit?

The only safe amount of alcohol to have in your blood and drive is **ZERO, NONE!**

Alcohol impairs your judgment and affects your reflexes. The best course of action if you have had a drink is to call a taxi.

I think my child/friend is drinking too much, what can I do?

The Family Support Unit is staffed with experienced officers who can give advice and guidance discreetly. They can be reached on 946-9185.

Complaints against police

Please visit our dedicated pages on the Professional Standards Unit which gives details about making complaints against police:

http://www.rcips.ky/portal/page/portal/polhome/theorganisation/specialist/professionals tandards

Is OC spray/pepper spray legal?

No. These goods are prohibited under the <u>Penal Code</u>. Under this law it is an offence to import, manufacture, sell or be in possession of any weapon designed to discharge a noxious gas or liquid, punishable by a fine of ten thousand dollars and/or imprisonment for ten years.

I have been sprayed with OC or pepper spray. Does it have any long-term effects?

The immediate effects of CS Spray are discomfort to the eyes, burning sensation, coughing and tightness in the chest. These symptoms should disappear within fifteen minutes. To aid recovery the best thing to do is stand in fresh air. If symptoms persist you should consult your doctor.

What should I do if I witness a crime?

Witnessing a crime can be extremely traumatic. If you are witnessing a crime or offence being committed, report it immediately or ask someone else to report it while you continue to watch what is happening. If your call is an emergency you should dial <u>911</u>. An emergency is an incident which requires an immediate response.

What should I look for if I witness a crime?

If you are witness to an incident then you will need to describe as much of what took place as you can include those involved and their actions in as much detail as possible. Pay attention to people's height, build, hair colour and any distinguishing markings as well as their clothes. Write down what you saw as soon as you can so you do not forget or get confused later on.

What do the police class as an emergency when I call 911?

Listed below are a few examples of emergencies when it would be necessary to call 911. This list is not exhaustive and common sense must prevail.

General circumstances of an incident reported to police when there is likely to be:

- Danger to life
- Use, or immediate threat of use, of violence
- Serious injury to a person and/or serious damage to property

OUR SERVICES

The Royal Cayman Islands Police Service serves all three of the Cayman Islands, namely, Grand Cayman, Cayman Brac and Little Cayman.

^{*} Copies can be obtained upon request from Information Manager

The RCIPS is divided into five Basic Command Units (BCUs) consisting of seven police stations located throughout the Islands. Each BCU is headed by a Chief Inspector who deploys officers as necessary. Officers working on shifts with each managed by an Inspector or a Sergeant who oversees the activities of the shift until it is handed over.

As outlined in our objective, the purpose of the Royal Cayman Islands Police Service is to uphold the law fairly and firmly; to prevent and detect crime; to pursue and bring to justice those who break the law; to keep the peace and to protect, help and reassure the community with integrity, sound judgment and common sense.

The RCIPS works closely with other agencies both locally and internationally and uses an information management system to log crimes and intelligence in conjunction with various other overseas jurisdictions, including: Anguilla, BVI, Turks and Caicos.
