

## **Community Spirit Award**

Working under the basic premise that we are more effective in achieving our vision of **Making the Cayman Islands Safer**, through collaborations between the police and the community, the Community Spirit Award will be awarded to a civilian member of the community who demonstrates outstanding service in reaching our joint goals of securing the Cayman Islands and ensuring the safety of our communities. Nominees for this award may be individuals or a group who have displayed such qualities and have aided the police in making the Cayman Islands safer.

### **Part A: Your Nominee**

Name of Nominee:	
District:	

### **Part B: Community Spirit**

Detail how your nominee displays the basic premise that the police is most effective through community/police collaboration. This can be achieved through various methods either individually or collectively and demonstrates service to the community, public safety and confidence in police/community relationships.

Using as much details as possible, provide evidence or examples to support your nomination. (If you require additional space, write on a separate sheet and attach to the form.)

--

### **Part C: Your Information**
